Case No. 2:22-cv-01678-JAD-NJK

8 RICKEY LEE GORMAN,

9 Plaintiff(s),

10 v.

11 BRITTANY TAMASO, et al.,

12 Defendant(s).

**ORDER ADOPTING REPORT AND
RECOMMENDATION**

ECF No. 28

13 **On June 24, 2024, the magistrate judge entered the following report and**
14 **recommendation:**

15 On May 2, 2024, the Court screened Plaintiff's amended complaint. Docket No. 20;
16 *see also* Docket No. 25 (corrected order). The Court determined that a colorable claim had been
17 stated against Defendant Tamaso and Defendant Goldberg regarding the conditions during
18 Plaintiff's interrogation. Docket No. 25 at 7. The Court determined that a colorable claim
19 had not been stated against the myriad other claims and Defendants named in the amended
20 complaint. *See id.* at 2-6, 8-11. The Court afforded Plaintiff leave to amend with respect to
21 these other claims and defendants. *Id.* The Court warned that a failure to amend would result in
22 the case moving forward as to only the claim against Defendant Tamaso and Defendant
23 Goldberg regarding the conditions during Plaintiff's interrogation. *Id.* at 12. The deadline to
24 amend expired on June 17, 2024. *See* Docket No. 24 (granting extension request). To date,
25 Plaintiff has not filed a further amended complaint.

26 Accordingly, for the reasons stated in the prior screening order (Docket No. 25 at 2-6, 8-
27 11), the undersigned **RECOMMENDS** that all claims and all Defendants be dismissed except for
28

1 the claim against Defendant Tamaso and Defendant Goldberg regarding the conditions during
2 Plaintiff's interrogation.¹

3 Dated: June 24, 2024

7
8 **ORDER ADOPTING REPORT AND RECOMMENDATION**

9 The deadline for plaintiff Rickey Lee Gorman to object to this recommendation was July
10 8, 2024, and Gorman didn't object or ask to extend the deadline to do so. "[N]o review is
11 required of a magistrate judge's report and recommendation unless objections are filed." United
12 States v. Reyna-Tapia, 328 F.3d 1114, 1121 (9th Cir. 2003). Having reviewed the report and
13 recommendation, I find good cause to adopt it, and I do. **IT IS THEREFORE ORDERED**
14 **that the Magistrate Judge's Report and Recommendation [ECF No. 28] is ADOPTED in**
15 **its entirety. All claims and defendants in this case are DISMISSED EXCEPT for**
16 **the claim against Defendants Tamaso and Goldberg regarding the conditions during**
17 **plaintiff's interrogation.** Gorman is reminded that he has until September 22, 2024, to
18 serve these defendants with process.
